

Native Plant Scavenger Hunt: *How many can you find?*

We hold a Native Plant Sale every May!

Visit these YLT Public Preserves: Fuller Forest Preserve, Highland Farm Preserve, Smelt Brook Preserve, Hilton-Winn Preserve, Lafcadio's Woods Preserve, and Near Point Preserve (YLT Office). Use the box to record in which preserve(s) you found each native plant.

Submit your results to info@yorklandtrust.org and receive a complementary packet of wildflower seeds!
